Policy snapshot: VPK Monitor

The purpose of this policy is to outline the procedure that will be used by the Coalition to conduct VPK monitors during each session.

- 1) Monitoring will be done on an ongoing basis because provider starting dates are staggered for VPK programs within the 4 county region
- 2) Each provider will be sent documents as listed in the policy.
- 3) A letter will be mailed within 15 business days of the monitor visit. This letter will review the findings and possible corrective actions along with the time frame in which the action should be taken.

VI. PROCEDURES:

1. The VPK program will be monitored by the Coalition during each program session within the four county region on an ongoing basis due to staggered program starting dates.
2. The VPK 20 VPK Statewide Provider Agreement approved contract, which will be signed and sent to each certified VPK provider, along with the accompanying letter will outline to the VPK provider that all VPK programs will be monitored within the first 45 days of the program. A copy of the monitor form will be included so that the criteria to be evaluated is shared with the VPK provider. The monitor process will review the hours of program scheduled, CDAE teacher/assistant teachers as needed, class size limit, curriculum name as noted on the VPK application, and listing of domains included as issued on the Provider VPK 10 and VPK 11 forms.
3. After the on site monitor a letter reviewing the findings and possible corrective action/timeline will be mailed to VPK provider within 15 business days of the monitor visit.
4. On Site follow up included on monitoring needed and timeline for correction.
5. The monitor shall be performed in a positive, efficient manner, and any necessary forms will be sent with the written report for the convenience of the VPK provider.
6. Any corrective action will be clearly stated and the VPK provider is given an opportunity to respond and take corrective action.
7. All monitoring reports will include finding and recommendations to ensure compliance and timely improvement of program effectiveness.
8. Final on site follow up on the monitors will be scheduled as needed.
9. Copies of monitor reports will be filed in the VPK provider file.
10. The Monitor Reports will be presented to the ELCFH board in a timely manner for review
